

At DKY Photography, we will work with you before the wedding to plan your schedule and workout the timing where each of our team members will be on the day and we can help you save money and capture all the footages and images to make your memories unforgettable. We will work with your Celebrant and DJ so we capture the best shots possible on the day. We understand your guests will want to see your wedding photos right away. We can upload your photos on our website, with password protection and your guests can enjoy your wedding photos online. We offer this to all our clients.
